

## What you can expect today...

The only thing we ask of you is simple: relax. Whatever your circumstances – single, married, single again, with or without children – and no matter where you've been or what you've done, you matter to God.

**Our mission: Helping people take their next step toward Christ... together.** We're glad you're here.

## About GCC

Founded by Dr. Mark & Sheila Beeson, Granger Community Church has experienced 22 years of rapid growth and changed lives. We have a passion to reflect God's truth through the arts; so music, drama and media are a big part of the way we communicate. We invest heavily in our children and students, believing them to be some of the greatest influencers of the church today.

## Kids

During weekend services, our goal is to make this the best hour of your child's week and the most helpful hour of yours. To minimize distractions for adult guests and maximize your child's experience, we ask that children under seven participate in their age-appropriate classrooms.

## No strings attached

If you're a guest today, please feel no obligation to give. This service is our gift to you. If you're a Christ-follower, we invite you to give joyfully.
